EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Sprague on 02/17/05.

The application has been amended as follows:

Claims 4-9, 14-62 have been canceled since they are directed to non-elected inventions.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or render obvious a microneedle device comprising all the elements in combination with all the structural relationships and further in combination with a microneedle having a channel formed in the outer surface thereof from the base towards the tip and a cover wherein the microneedle penetrates through the cover and provides a capillary volume between the cover itself and the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
